## De Move

5'5 x 19 1/8 x 2 3/16

5'6 19 1/4 x 2 1/4

5'7 x 19 3/8 x 2 5/16

### Board Description

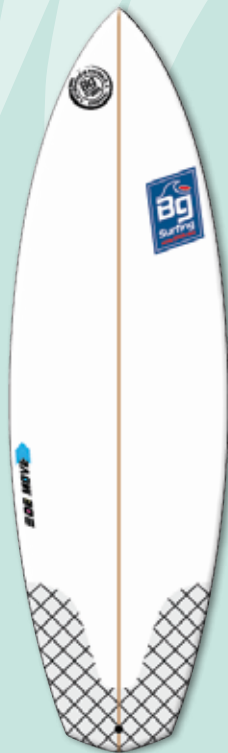

This design was driven by the desire to give a short, wide board more high performance ability. We have extended the nose, tail and rails so you can ride this board 5-6 inches shorter and only an inch wider than your standard high-performance shortboard. This allows the board to fit in the pocket and perform tight radius turns!

### Construction
